

This Bench is Dedicated to Troop 2's Ricky Weaver

Ricky Weaver earned his rank of Eagle Scout on July 31, 2013 and was recognized as Boy Scout Troop 2 Downingtown PA's 100<sup>th</sup> Eagle.

For those that haven't met him yet, Ricky is the heart of Troop 2. He has lived most of his life as a Scout; starting Cub Scouts in 1980's, joining the Troop in the 1990's, completing his Journey to Eagle in 2013, and continuing camping and meeting with the Troop to today. While Ricky has a developmental disability it has not stopped him from becoming an integral part of the Troop and the lives of all those that meet him. He also has earned over 100 of the 139 merit badges with assistance of his father Dick and brother Jonathon and all the fellow Scouters that have helped him along the way. Next time you see Ricky on the Island give him a big How How!
